

EOG Resources Direct Deposit Invitation

As a royalty interest owner, you have the option to participate in our Direct Deposit payment option offered by EOG Resources, Inc. (EOG). Choosing this option will allow you to receive your owner interest royalty payments directly through an Electronic Funds Transfer (EFT). An EFT is an automated process that permits funds to be directly transferred to your financial institution (bank, credit union, etc.). The Automated Clearing House (ACH) payment system will be utilized to process direct payment transfers.

Direct Deposit offers the following advantages:

- No cost for this safe and secure service.
- No postal delays of your royalty check.
- No unnecessary trips to the bank to deposit royalty checks.
- No risk of expired, lost, damaged or stolen royalty checks.
- Online royalty check detail and payment history.*

How do I sign up for Direct Deposit? - (U.S. BANK ACCOUNTS ONLY)

- 1) Verify that your U.S. banking institution offers Direct Deposit via Electronic Funds Transfer.
- 2) Once verified, fill out the attached Direct Deposit Enrollment Form (DDEF) in its entirety. You must provide a check with "VOID" written across it or a letter from your bank verifying your account. The routing and account number written on your DDEF must match the bank routing and account number on the voided check or verification letter from the bank. All account signatures are required for joint accounts. If all requirements listed are not met, your DDEF will not be accepted.
- 3) Return the completed DDEF and voided check or bank account verification letter to EOG Resources, Inc. in the enclosed prepaid envelope.
- 4) Allow 4 to 8 weeks for your account to be verified through our pre-note process.

If I have more than one EOG account, can I fill out one DDEF for all accounts to be enrolled in Direct Deposit?

If you have more than one EOG account/owner number, **you must fill out a DDEF for each EOG account**. The same process should be followed for changes or cancellation of Direct Deposit for each EOG account. If you would like to consolidate your accounts, necessary ownership documentation will also need to be provided.

***What is online royalty check detail?**

You may elect to participate in Oildex, our Owner Relations Connect website, which will allow you access to view your check detail and payment history online. This is an optional service and that you must have a valid email address to participate in. By electing to partake in Oildex, you will no longer receive paper copies of your check detail. **Once you are successfully enrolled** with Direct Deposit, you will receive a confirmation email with login information to access Oildex. If you are having technical difficulty logging into your account, please contact Oildex via email: Support@oildex.com.

**If you wish to cancel or change Direct Deposit, visit www.eogresources.com > Interest Owners > Direct Deposit for instruction. For questions regarding Direct Deposit, contact 1 (877) 363-3647 and select option 3, then option 2.
