

# Beehive-1 Exploration Well

## Information Flyer #2

01 December 2021

### Update on the Pre-Drill Seabed Assessment

EOG Resources, Inc. (EOG) advises that the Beehive Pre-Drill Seabed Assessment (PDSA) Environment Plan (EP) is now available on the National Offshore Petroleum Safety and Environmental Management Authority's (NOPSEMA) website for public exhibition and comment at [https://info.nopsema.gov.au/home/open\\_for\\_comment](https://info.nopsema.gov.au/home/open_for_comment)

The following updates have occurred since Information Flyer #1 was issued:

- EOG Resources Australia Block WA-488 Pty Ltd, a subsidiary of EOG, is now the sole titleholder of the WA-488-P Exploration Permit;
- The activity window has been amended and is now April to August 2022 (exact timing dependent on the receipt of EP acceptance, weather, and vessel/equipment availability), rather than February to June 2022 as previously stated; and
- The PDSA activity area has been reduced by 100 km<sup>2</sup> from 440 km<sup>2</sup> to an area of 340 km<sup>2</sup>.

## How to Provide Feedback

EOG encourages you to provide feedback on the activity using the following contact details:

Email: [australia@eogresources.com](mailto:australia@eogresources.com)

Phone: 0409 772 170

EOG will respond to feedback in a timely fashion.

Background project information (and this information flyer) is also available on the EOG website at:  
**<https://www.eogresources.com/australia>**

## Ongoing Consultation

Consultation with relevant persons will be ongoing throughout the project planning and during preparation of the Beehive-1 Drilling EP.
